EXPERIENCE

NoardCode

Backend Developer

Leeuwarden, Netherlands

Mar 2018 - Present

- At this company, I am responsible for the development and expansion of multiple (**Laravel**) back-end projects. For example, in this position, I designed an algorithm that extracts ePub files (ebooks) and then automatically classifies the content into different categories (e.g. Headings, Paragraphs, Images, Footnotes, etc.)

Hanze University of Applied Sciences Groningen

Groningen, Netherlands

- *Member of Information Team*

Oct 2019 - Jul 2020

At this position, I shared my experiences about the pursuit of a Bachelors degree in the field of IT at events from the Hanze University of Applied Sciences (e.g. Workshop days, Parent-teacher conferences, Open days, etc.)

- *Teaching Assistant*

Sep 2019 - Jul 2020

I served as a TA for the study program Information & Communication Technology. At this position, I hosted TA Office Hours where first-year students were given the opportunity to re-examine subject matter covered in lectures. Subjects covered include **Software Engineering, Computer Networking, Mathematics and Statistics**.

Learn and Believe

Freelance Web Developer

Leeuwarden, Netherlands

Oct 2017 - Dec 2019

- LAB Learn and Believe was a company I started to be able to use my knowledge about Web Development (**JS, Vue.js**) to build web front-ends for a variety of different companies.

OSG Piter Jelles

PHP Developer • Internship

Leeuwarden, Netherlands

Sep 2016 - Jul 2017

- At this internship, I had the assignment to design and engineer the architecture of a web-based election system for the Co-Control Board elections. This assignment included realizing a database design (**MSSQL**), programming the back-end server logic (**PHP**), designing the user interface (**JS**), and setting up an implementation plan.

EDUCATION

Hanze University of Applied Sciences Groningen

Groningen, Netherlands

BSc, Information & Communication Technology, Software Engineering

2018 - 2022

Current GPA: 3.9 of 4.0 (US standards), Average grade: 8.8 (European format)
